MUSIC, SCIENCE AND TECHNOLOGY (MST) CONCENTRATION:

Concentration Expectations:

1) Declaration
   a. Concentration should be declared no later than the end of a student’s junior year.

2) Course Requirements: (Total= 68 units)
   a. Theory Series (Music 21, 22, 23)
   b. 2 History Series (Music 40, 41, 42)
   c. Analysis (Music 121, 150)
   d. Writing in the Major (WIM): (Music 251)
   f. Applied:
      i. 2 Quarters of Music Lessons at 3 units each and 5 quarters of Ensemble at 1 unit each; OR
      ii. Music 192A, 192B and 5 units of 192C
   g. Concentration Project:
      i. A project of significant scope involving musical composition and/or research in the field of computer music. If the project is in the form of a composition, program notes will be required. The project may be a final project for Music 220D, or an independent research project (Mus 198).

3) Grading
   a. If necessary, MUSIC 198 can be taken over multiple quarters with an Incomplete grade until student completes recital.

4) Honors
   Completing a concentration project does not guarantee Honors. A faculty jury evaluates the completed project, and makes a recommendation for or against awarding department Honors. The Undergraduate Studies Committee makes the final decision to confer Honors.
